ware cares™

We care about the carbon pawprint we leave as a company and are committed to using recycled and recyclable material in the manufacturing of our packaging and pet products.

Care Tip

To protect the wood on your premium+ doghouse you need to re-apply the protective stain finish at least 1x each year. Use a safe and non-toxic water based stain (available at your local paint or hardware center). Keep doghouse in a safe area away from high winds and extreme temperatures.
